About Earlsbrook

Only a 25 minute drive to Christchurch's CBD, Earlsbrook is situated on the southside of the semi-rural township of Lincoln. You're spoiled for choice with easy access to several walking and biking trails making Earlsbrook ideal for families, young professionals and retirees. Multiple early childhood centres are in Lincoln with Earlsbrook being zoned for Ararira Springs Primary School and Lincoln High School. Plans for a brand new primary school and daycare are underway within the development.

A new commercial space will be constructed in Earlsbrook which will include medical service options, cafes and a variety of shops. Earlsbrook will feature 45 hectares of green space including playgrounds and reserves featuring natural spring waterways with views of the Port Hills and the Southern Alps, offering the perfect balance of rural feel living and convenient access to urban amenities.

Lincoln and Surrounding Areas

Lincoln is a charming township on the outskirts of Christchurch City and is known for its vibrant community feel and the popular Lincoln University – the oldest agricultural teaching institution in the Southern hemisphere established in 1878.

Local residents have created a tight-knit community with a weekly local farmers and craft market where you will find some of the best produce available. An annual Santa Parade is hosted down the main street which provides insight into the surrounding farming community featuring Santa being towed by a tractor.

Lincoln is host to a multitude of amenities including medical centres, cafes, restaurants, public library, fitness centres, indoor sports facilities, playgrounds and dog walking areas. The township has seen substantial growth while maintaining several heritage buildings, some dating back to 1875 making Lincoln a special place.

A 10min drive will take you to New Zealand's fastest growing township, Rolleston. Rolleston features multiple shopping complexes – both retail and grocers, public swimming pool and a cinema to soon be constructed.

Lincoln's location makes for an easy journey to Little River and Banks Peninsula which features endless hills, bays and bush walking tracks for exploring – it is the definition of nature's playground on your doorstep.
